Subject: Customs Duty Liability

U.S. Customs and Border Protection regulations require that we notify importers of the following information; see customs regulations, section 111.29 (b) (1).

(b) Notice to client of method of payment (1) all brokers must provide their clients with the following written information: If you are the importer of record, payment to the broker will not relieve you of liability for customs charges (duties, taxes, or other debts owed customs) in the event the charges are not paid by the broker.

Therefore, if you pay (the broker) by check, customs charges may be paid with a separate check payable to the U.S. Customs Service which will be delivered to customs by the broker.

We welcome the opportunity to discuss other duty payment options such as Periodic Monthly Statement (PMS) which requires an Automated Clearing House (ACH) account. When utilizing this option duty payments can be extended up to 45 days from the date of entry.

Thank you,
