Reference Charles Kendall ~ EWC Global Logistics
Date 04th January 2016

New Offices in the USA

Charles Kendall Group are pleased to announce that as of January 4th 2016, two new branches began operations in the USA, based in New York and New Jersey.

The new offices will be branded “EWC Global Logistics Part of the Charles Kendall Group” and will handle significant Freight-division business with immediate effect. Peter Sunderland, Managing Director of Charles Kendall Freight commented that the new branches ‘reflect our long term commitment to the US market. The USA remains our largest global market and this acquisition underscores our determination to continue building on our record of solid achievement and growth in the region’. We welcome EWC into the Charles Kendall Group.

Charles Kendall Group is a London based end-to-end supply chain management group.
